

Marathon Petroleum Corporation (MPC) operates an integrated refining, marketing and transportation system concentrated primarily in the Midwest, Gulf Coast and Southeast regions of the U.S. We have more than 125 years of experience in the energy business and are focused on profitable growth.

Headquartered in Findlay, Ohio, MPC has approximately 28,000 employees and ranks in the top 50 of the Fortune 500.

Strong values drive our commitment to the communities where we operate, our employees, and our other stakeholders, focusing on health and safety, environmental stewardship, integrity, diversity and inclusion, and corporate citizenship.

Financial Highlights

MPC became an independent company on July 1, 2011, and launched MPLX LP, a midstream master limited partnership, on Oct. 26, 2012.

Investment Data

- NYSE: MPC
- Shares outstanding: approximately 339 million
- 2012 earnings \$3.393 billion (\$9.89 per diluted share)

Our Economic Engine

Our seven refineries are managed as one integrated system, transferring feedstocks among the refineries to optimize capacity and achieve economies of scale that reduce capital expenditures and improve efficiency.

MPC's strategic refining operations include:

Garyville Refining	522,000 bpcd
Galveston Bay Refining	451,000 bpcd
Catlettsburg Refining	240,000 bpcd
Robinson Refining	206,000 bpcd
Detroit Refining	120,000 bpcd
Texas City Refining	80,000 bpcd
Canton Refining	80,000 bpcd

We use a diverse slate of crude oils procured from numerous suppliers that are approximately 60 percent domestic, 10 percent Canadian and 30 percent from other sources.

Solid Corporate Citizen

MPC employees are a part of the social fabric of the communities where they live and work. They give their time and talents, in addition to individual and corporate financial contributions, to help improve the lives of others.
